

Fullex offer a range of colour matched door knockers, letterboxes, security chains, spyhole viewers, door numerals and letters to compliment the Fullex range of door handles and door hinges.

Hundreds of thousands of these items are fitted to doors across the UK and share the same attractive hardwearing finishes.

Some have been included in successful PAS23/24 tests and options such as fire rated letterboxes are available to order.

- Hardwearing White, Black, Gold Anodised, Silver anodised, Polished Chrome, and Polished Gold PVD available
- Internal letterbox security cowls
- Knockers available with and without security spyhole
- Separate spy holes available
- Numerals from 0-9
- Letters from A-D
