

BENEFITS

The Fullex Pyroscape multi-point lock allows instant single action **Keyless** egress in the event of an emergency whilst maintaining PAS24 rated security.

The three deadbolt SL16 Pyroscape can be fitted to PVCu, Composite or Timber doors.

INSTALLER NOTE THIS LOCK MUST BE FITTED USING SPLIT SPINDLES

OPERATION TO LOCK DOOR

Lift handle to its full extent (Fig 1)

Turn key or thumbturn one revolution towards door frame (Fig 2)

The door is now locked and cannot be opened from the outside without using the key.

TO UNLOCK DOOR

From outside

Turn key one revolution away from door frame (Fig 3)

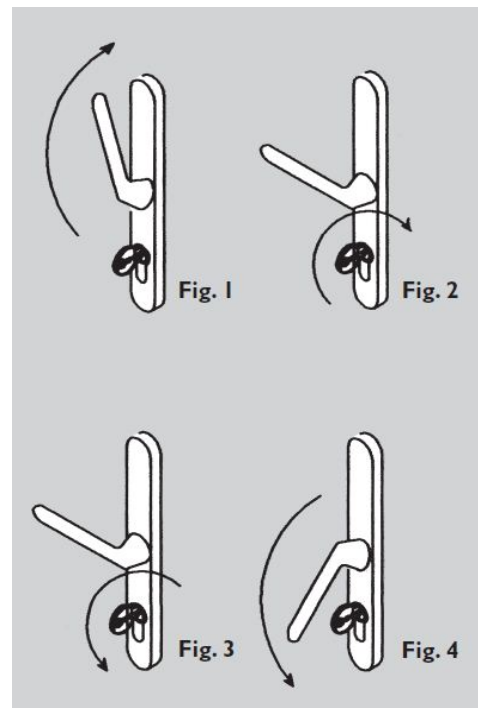

Push handle down (Fig 4)

Turn key once again to withdraw latch and open door.

From inside

Turn key one revolution away from door frame (Fig 3)

Push handle down (Fig 4) and open door

IN THE EVENT OF AN EMERGENCY DEPRESS HANDLE FROM INSIDE TO OPEN DOOR
